Anjo Sasame JHS  
September 2<sup>nd</sup>, 2024

Natapos na ang mahabang summer vacation at ang mga estudyante na may refreshed mind ay bumalik na sa paaralan kasama ng kanilang masisiglang pagbati. Simula na ng 2<sup>nd</sup> semester.

This summer vacation, nasaksihan namin ang galing ng Sasame JHS students sa iba't ibang larangan. Sa Nishi Mikawa JHS Tournament ay nakilahok sila sa 7 categories at hindi sumuko hanggang huli. Gayundin, sa volunteer activities, may 21 students ang kusang sumali sa Volunteer Experiential Program ng Anjo City Social Welfare Association at sila ay tumulong sa kanya-kanyang area. Noong bumisita ako sa isa sa mga children's club (*jidou* club), may nagpahayag sa akin ng, "maaliwalas ang mukha ng mga elementary students dahil maganda ang pakikisama sa kanila ng mga junior high students. Malaking tulong sila dito." Maging sa local community volunteer ay madaming estudyante ang sumasali at nagpapakita ng kanilang husay. Sa pamamagitan ng pagkukusa nila ay nakakatulong sila sa kanilang komunidad at mula doon ay naramdaman namin ang kanilang pagiging reliable.

Ang 2<sup>nd</sup> semester ay ang pinakamahaba sa tatlong semester at may ilang major events dito. Habang binubuhos nila ang lakas sa kanilang pag-aaral, mayroon ding Sports and Cultural Festivals, at Rookie Match ng kanya-kanyang club activities. Hiling namin ay maging makabuluhan at mabunga ang 2<sup>nd</sup> semester na ito sa pamamagitan ng pagpapakita ng mga estudyante na kanya kanyang galing at pagkakaroon ng shared experience with their fellow students.
