School & Batch Newsletter
Anjo Sasame JHS
October 1st, 2024

October last year, isinulat ko dito ang tungkol sa "Pagpapasa ng baton *バトンを受け継ぐということ*". Na ito ay may dalawang katungkulan at ang mga iyon ay ang "connect good tradition" at "create your own ways."

Noong nakaraan po ay nagkaroon ng Rookie Match ang mga club. Noong nag-duty ako bilang traffic guide sa cycling road, may mga dumaan din na Sasame JHS students. Bagamat nakakamangha ang kanilang masisiglang pagbati, ang mas nakaagaw ng pansin ko ay ang pagsisikap nilang sama-samang maglakbay nang ligtas. The way they told each other to "move more to the left," and "maintain a one line," while biking forward, para bang noong sa branch prelim at kasama pa nila ang 3rd year students. Lubos kong naramdaman na hindi lamang sa technicality ng club activity kundi pati sa ganitong sitwasyon ay "good traditions are connected." Bagamat isang parte lamang ito ng mga tradisyon na kinokonekta ng mga bata, sana ay matutunan din ng mga 1st & 2nd year students na "mag-isip" at "gumawa" ng paraang tutugma sa kanila. Gayundin, hiling namin sa 3rd year students na kanilang suportahan ng buong lakas ang kanilang mga *kouhai* na nagsisikap.

Para sa mga magulang, nagpaasalamat po kami sa inyong pang-unawa at kooperasyon sa mga aktibidad ng ating paaralan. Patuloy po naming susuportahan ng buong lakas ang inyong mahahalagang anak upang mas mag-grow sila to be better.
