

「いいね、篠中！ さらに“HOT”で“ほっと”な体育祭」

Ang nasa itaas ay naging slogan para sa Sports Festival 2024.

Nagsimula ang araw na ito nang alanganin ang panahon dahil paulan-ulan. May dalawang pagkakataon na kinailangan bumalik sa classroom at halos hindi nagawa ang mahigit kalahati ng programa kaya pinostpone na lamang ito. Noong sumunod na linggo ay pinagpatuloy ang mga naiwang palaro. Naging irregular ito dahil ang ibang palaro ay sa gym ginanap at ang pagche-cheer ay ginawa thru online. Marahil ang ilang beses na pagkakaudlot nito ay nagdulot ng pangamba hindi lamang sa mga estudyante kundi pati sa mga magulang. At nagpapasalamat po kami na sa kabila ng nangyaring ito, madami pa din ang magulang na pumunta para manuod.

Sa kabila ng mga pagbabago sa Sports Festival, ang mga bata ay naging flexible at nagpakita ng nakakamanghang galing. Nais po naming ibahagi ang ilan dito.

Bukas po ay November na at gaganapin na ang Cultural Festival. Sa bandang katapusan ng October, habang nage-ensayo ang mga bata para sa kanilang Cultural Festival at Chorus Competition, rinig na rinig mula sa kani-kanilang classroom ang kaaya-ayang tinig nila. Ang kanilang pag-awit ay ibang iba na kumpara noong 2 weeks ago. Kasabay ng pagkakaramdam ng lakas at potensyal na meron ang mga junior high school students, tumataas ang aming expectation sa Cultural Fest. at Chorus Competition na tugma sa kanilang slogan na 「さらに“HOT”に、さらに“ほっと”」. Excited ako na marinig mula sa kanila ang 「いいね、篠中！」 pagkatapos ng event na ito.
